Therapy Innovations recognizes the need to ensure the welfare and safety of all young people taking part in any activity associated with our company.

In accordance with our child protection policy, we will not permit photographs, video or other images of young people to be taken without the consent of the parents/caregivers and children. We would like to ask for your consent to take photographs/videos of activities that may contain images of your child. It is likely that these images may be used for

- Therapy Innovations Facebook page
- Therapy Innovations website
- Therapy Innovations marketing

Therapy Innovations will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform Therapy Innovations immediately.
